## EXPERIENCE

### IEEE CIS, Jaffna — *Web Master*

JANUARY 2024 - PRESENT

Volunteering as a Webmaster since January 2024. Manage and maintain the website for optimal performance and appearance, contributing to the organization's online presence.

## EDUCATION

### University of Jaffna, Jaffna — *Bachelor of Engineering*

APRIL 2022 - FEBRUARY 2026

Studying for a Bachelor of Engineering at the University of Jaffna from April 2022. Expected to graduate in February 2026.

## PROJECTS

### Portfolio Website— *Built using Wordpress*

Created a portfolio website using just WordPress. Made it easy to use and look unique. Used WordPress for a nice design and to show off my work. Simple, but it does the job of showcasing my projects well.

### ECommerce Website— *Built using HTML, CSS and JAVASCRIPT*

Built an interactive online store with HTML, CSS, and JavaScript. Ensured easy navigation and a visually appealing layout. Demonstrated web development skills with responsive design.

### Students Management(CRUD) — *Built using Java and SQL*

Created a student management system with Java and SQL, handling data tasks efficiently. Demonstrated strong Java and database management skills, showcasing practical system development abilities.
